Vol. XIII

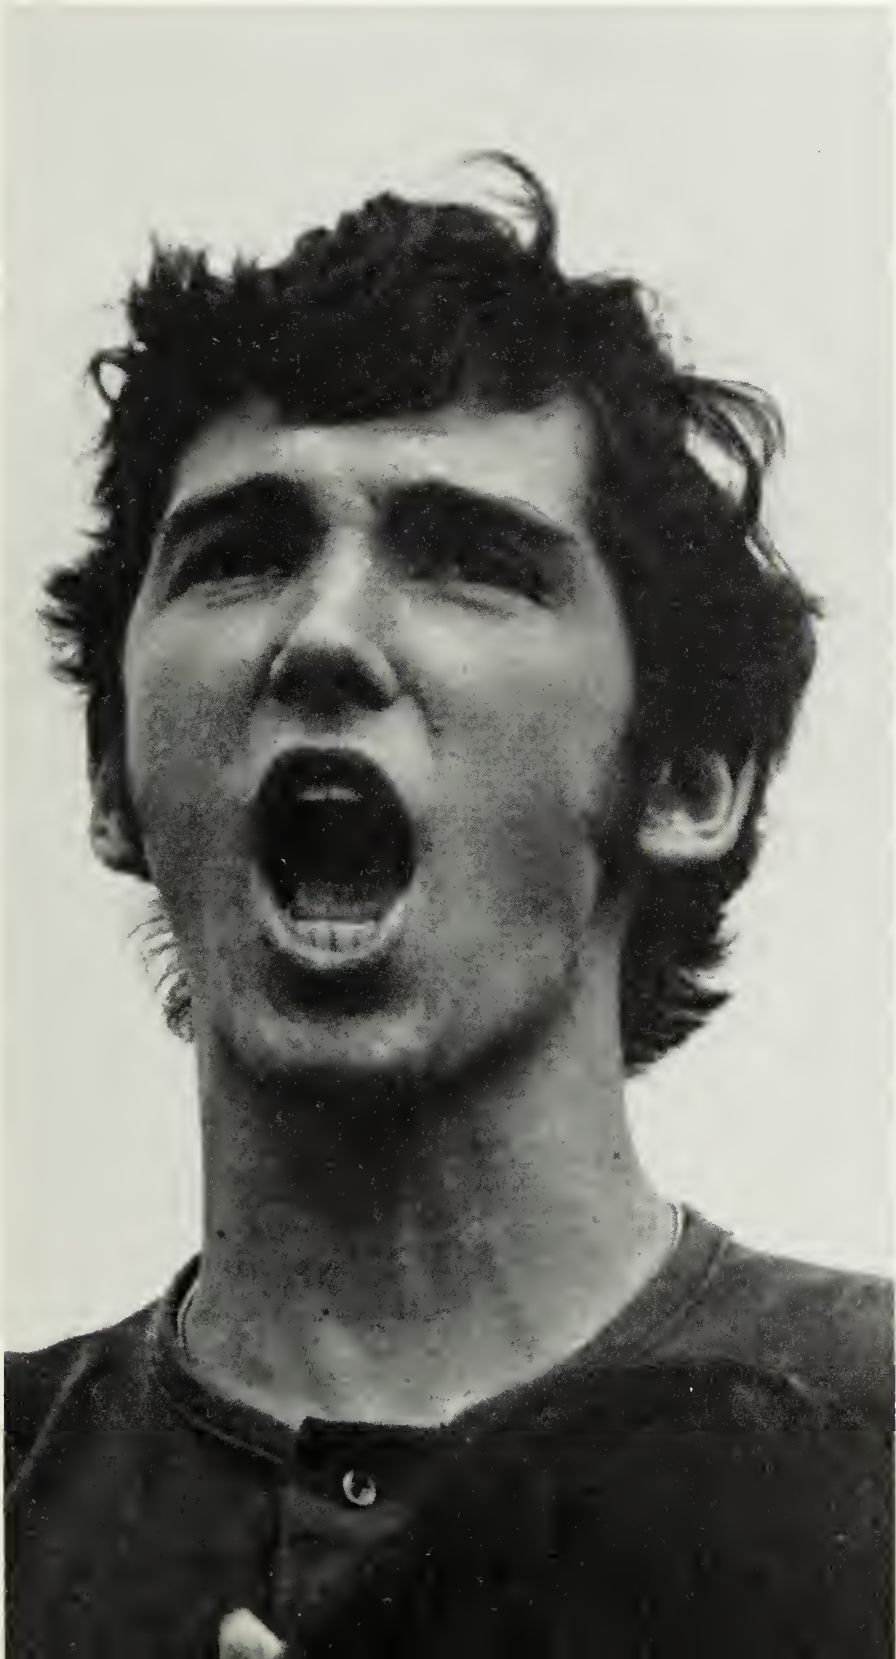

do you remember 74-75?
a freshman, the first year of high school
a sophomore, driver's ed
a junior, ordering your rings
a senior, graduation—finally

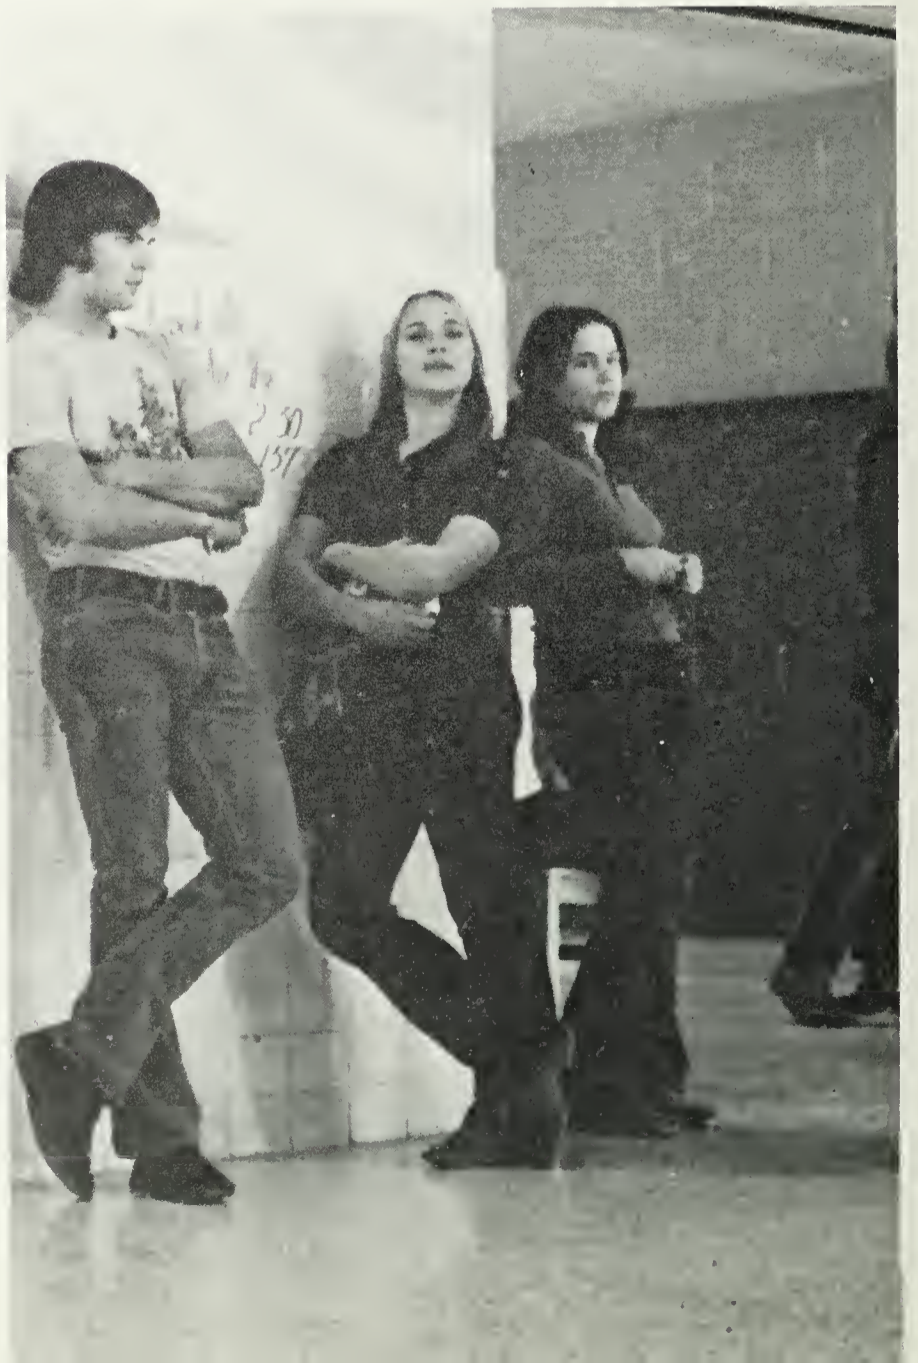

football games and tardy passes
jammed lockers and soc-hops
homecoming, follies and riding around
pep rallies and school lunches

Your first dance and behind the wheel
the powderpuff game and typing
basketball and just hanging around
studying and snow days
Yes, I remember then Why:

are there three whole years left?

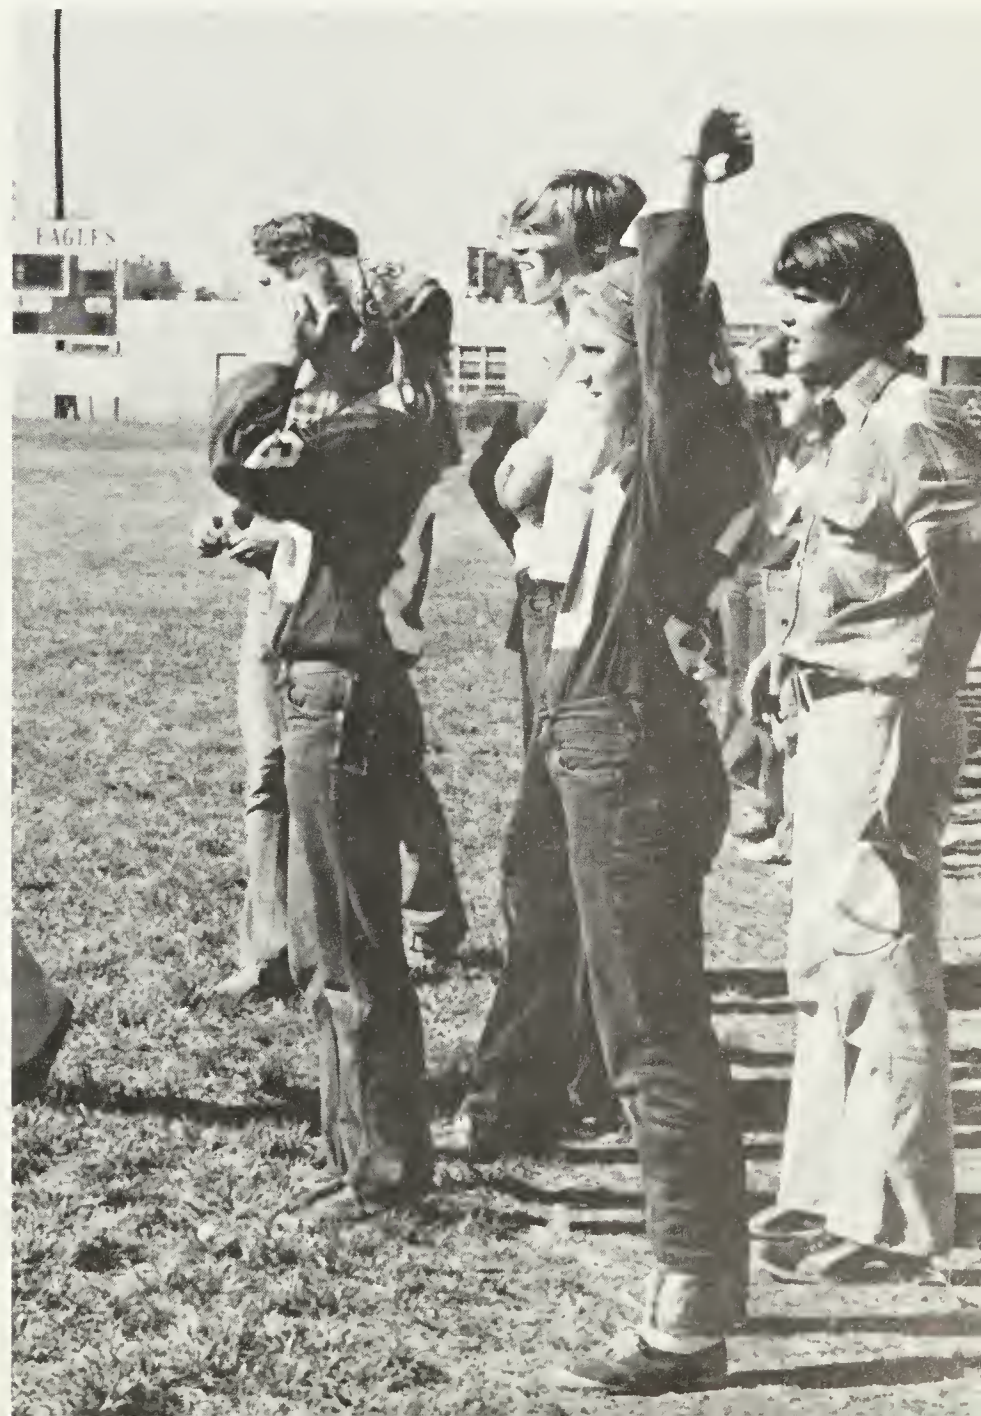

can't I get out sooner?

couldn't I have skipped a grade?

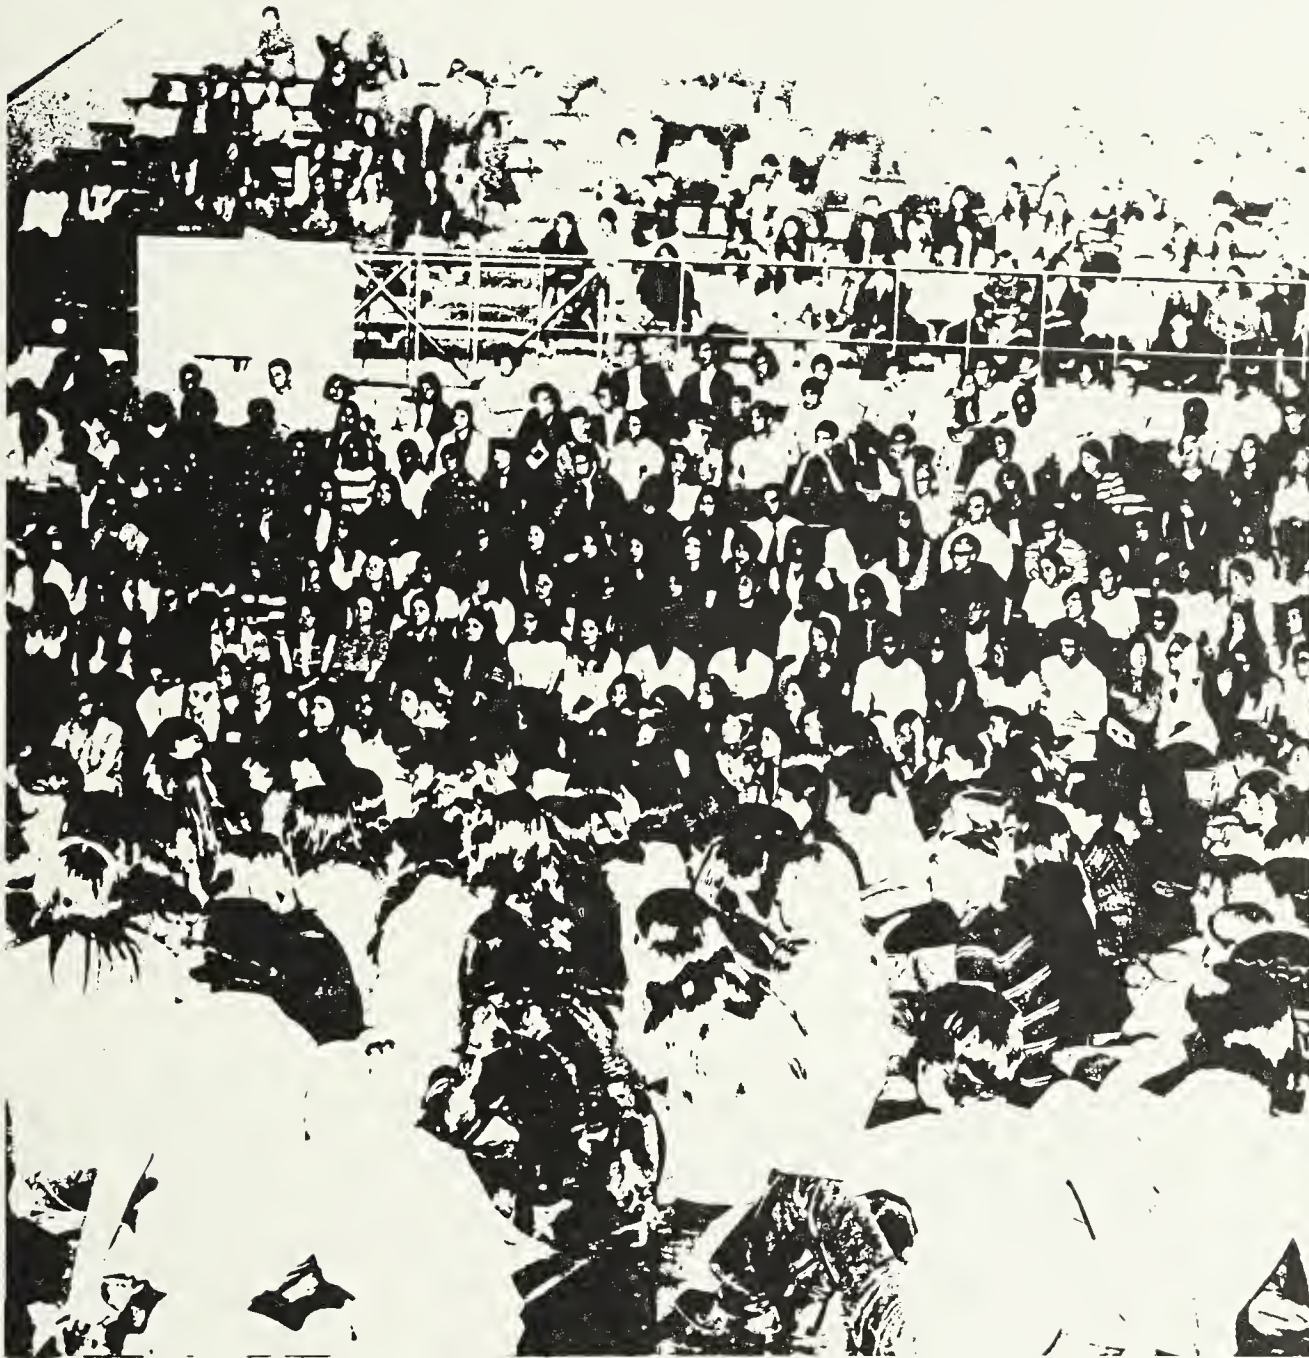

has it all gone so fast and I'm leaving
my friends—to be grown up or only
to be a freshman again?

SCHOOL LIFE

You have been given the opportunity to take your place among the tiny minority of the world's educated men. History will judge you, and you will ultimately judge yourself, on the extent to which you have used your gifts to lighten and enrich the lives of your fellow men.

Robert F. Kennedy

Homecoming '74

Legends Of Old

As students flurry to decorate the halls, the Freshmen proved themselves with a victorious "Robin Hood" hall. Not to be out done by underclassmen, the Seniors dominated the follies with "Ponce de Treadway and the Fountain of Success." The Junior's winning float, "Pandora's Box," was shown during half-time of our 0-7 loss to Lee. But Sue Hopping was crowned queen at the dance, so everything ended up perfect anyway!

Homecoming Queen: Sue Hopping

Junior Court: Suzanne Hall and Maureen Grady

Sophomore Court: Priscilla Thompson and Artie Johnson

Freshman Court: Joyce Pique' and Sherri Bowers

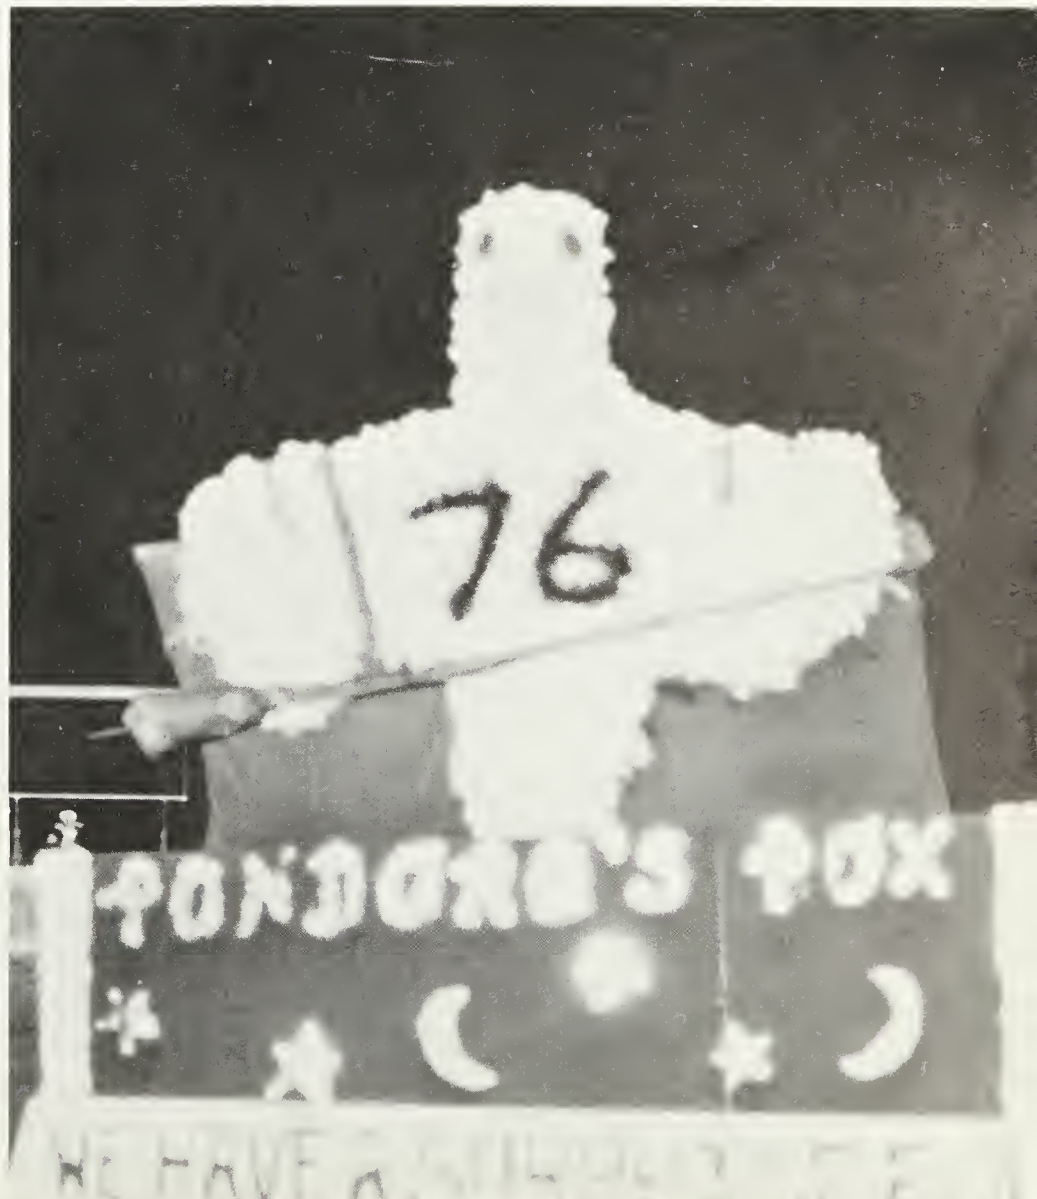

Senior Court: Nancy Riverie, Sue Hopping, Cathy Marsh, Kathleen Scott, Sherrie Baker, and Renee' Dixon

Winter

Week

The rollicking fun started on Class Night as the Juniors proved themselves the weirdest by winning the most wacky races, but they were followed closely by the Seniors and the spirited Sophomores. The stupendous Seniors then walloped the Juniors 84-32 in the annual basketball game. To climax this fun-filled week, Pete Ostergren was named the Ugliest of the Uglies.

Winning is not everything
And it is far better to play the game squarely

ACTIVITIES

I've never been able to make it as a group.
I have a hard time making my mind and when I get all together
I seem to go all to pieces.
I'd like to gather myself together and talk about it
but I keep walking out in single file.
Maybe I'm just doomed to split up and go my way.
